EXPERIENCE

FRONTEND DEVELOPER (Intern) OCTOBER 2023 - PRESENT

Nupat Technologies, Yaba Lagos

- Proficiently contributing to diverse web development initiatives involving HTML, CSS, Vanilla JavaScript, and React.
- Demonstrating expertise in crafting compelling landing pages and advancing Real Estate web applications.

NETWORK ENGINEER JANUARY 2014 - DECEMBER 2015

Slingshot Technologies, Obalende Lagos

- Played a pivotal role in the IPolowo project as both a Network Engineer and Marketer.
- Responsible for designing and maintaining the project's network infrastructure, alongside spearheading strategic marketing initiatives to enhance brand visibility and boost user engagement.

PHOTOGRAPHER & VIDEOGRAPHER OCT 2013 - SEPT 2016

Slingshot Technologies, Obalende Lagos

- Created visually captivating designs, capturing exceptional imagery, and producing engaging video content to enrich different projects.
- Leveraging my diverse skill set, I provided creative solutions across multiple mediums, contributing to the overall success of initiatives.
